About the Kazakhstan Chamber of Mines:

Established in March 2023, the Chamber represents the interests of explorers, developers, and producers of minerals across Kazakhstan. Dedicated to promoting responsible mining practices and advocating for an investor-friendly environment, the Chamber fosters partnerships to support the long-term prosperity of the sector. Our founding members include both Kazakhstani and international companies, with representation from entities listed on the London and Canadian Stock Exchanges. Today, the Chamber represents investors from over 10 countries and nearly 50 member companies.
